

Cookie Policy See Tickets

Cookies and how they are used by See Tickets

See Tickets B.V. (hereinafter: “**See Tickets**”) uses [cookies](#) to provide its services to you and the organiser of an event, exhibition or theme parks (“Organiser(s)”). These cookies enable you to buy tickets for events or exhibitions of the Organisers, ensure that you are sent the correct content when your computer requests it, and provide insight into how our services are used via third party software like Google Analytics.

The Organisers of events or exhibitions may also place cookies on your computer. We therefore refer you to the privacy- and cookie policy of the relevant Organiser.

If you wish to remove any cookies our ticketshop has placed on your computer, please consult the instructions for your specific Internet browser.

Type of cookies

The cookies are categorised below to identify whether these cookies are required for the correct operation of the ticketshop or whether they are used for other purposes (and are therefore not mandatory).

The different types of cookies that can be used in the ticketshops c.q. systems of See Tickets are listed below.

CATEGORY	DESCRIPTION
Functional	Functional cookies are essential to enable you to move around our website and use its features and/or services. It also allows our website to remember choices you make, e.g. your user name, log in details and language preferences and any customisations you make to pages during your visit to the website.
Analytical	Analytical cookies allow us to update this website to cater for user preferences and improve performance. Analytical cookies may also be used to help manage website traffic during busy periods. No profiles are created.

Tracking/Marketing

These cookies collect information about your browsing habits on our website in order to make advertising (both on this website and other websites you subsequently visit) relevant to you and your interests, to limit the number of times those adverts are served to you and to help measure the effectiveness of advertising campaigns.

Cookies that can be placed on your computer by See Tickets
